

# Prehistoric Harmony

## Job 38:4, 7

### Introduction

- A. If you were to visit the New York Museum today you would see the Skeleton of tremendous Prehistoric Animals such as the Mastodon, Plesiosaurus, Dinosaur, Megatherium
1. Animals that are supposed to live 50-100,000 yrs ago.  
of Prof. Cutter - through this Summer (1921) lectures -
  2. Now our Bibles tell us that man first came upon the scene about 6000 years -  
Hence these great animals are called Prehistoric
  3. Two Stubborn facts stand out plainly before our Scientists
    - (a) There are no historic descendants of these animals - Elephant being the nearest - baby
    - (b) No human remains have ever been found with them.
  4. These facts give us two natural conclusions
    - (a) There were prehistoric beings -
    - (b) - That some tremendous Catastrophe happened of Jer 4:23-25. Both supported by Scripture!

### BODY

A. My text tonight is going to take us away back into the dim & distant ages of the past. - Job 38:1-4.

1. This passage goes farther back, than creation of these tremendous animals -
  - (a) Millennia before man - where was the
  - (b) Only ~~two~~ passages farther back. John 1:1. Col 1:16, 17
2. vs 7. our text tells us -  
when earth was created - Stars sang  
Sons of God shouted

B. The Failure of some to recognize the meaning of the term Sons of God - confusion.

1. not long ago - heard man - Gen 6:3: Max
2. Bible uses term in two ways
  - (a) By creation - in this sense - Adam only  
Angels -
  - (b) By Adoption - New Test.  
Gal 4:5 - John 1:11, 12

Reading

Hymns 19

401 (180) 23  
445 (488)

C. Here Again people say figurative poetic  
- How could stars sing

1. This is similar to Psalm 19: 2, 3

(a) Along time - thought poetical

(b) Scientists discovered   
Sound caused by vibration  
Human ear - 40 - 20000 -  
Instruments - colors higher  
Intense Vib - light.

2. This then is what I call pre-harmony

D. How long before man was on earth a  
discordant note was struck

1. GOD created a Mineral Garden of Eden &  
placed Lucifer that bright & shining Cherubim  
Ezek 28: 13-15 - Pride - self-exaltation

2. Since then the harmony of heaven  
has been shut out

Gen 4: 7 (a) of like trying to hear an Orchestra in a boiler  
factory

(b) At times it breaks thro' to some  
i. when the Saviour came - Luke 2: 1  
ii. I have heard of Saut - such music

Psalmist said - put song in his mouth -

### Conclusion

A. Bible proclaims that once more  
the Sons of God shall shout in  
harmony with the hosts of heaven  
Rev 5: 9-10

(1) Harmony is delightful -  
Discord is distracting  
(a) We can enjoy sweet music  
(b) No cry - Stop when Baby thumps

2. There can be no harmony  
where self-exaltation & pride
